

ATTENTION RESIDENTS

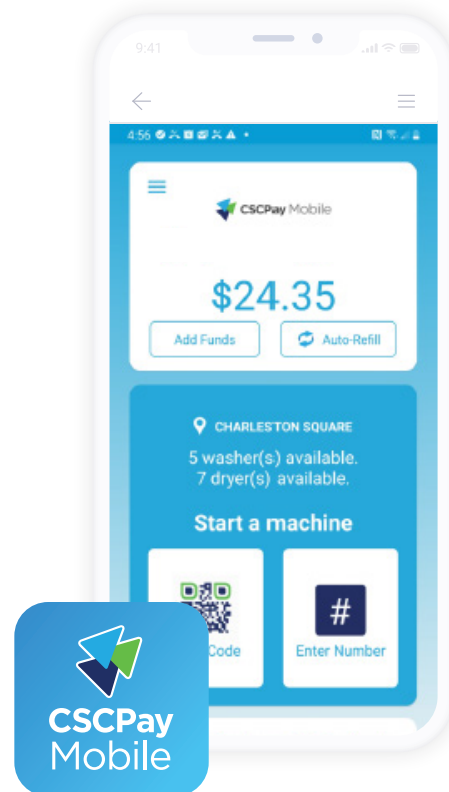

The laundry room is being upgraded to provide you with a more modern and convenient laundry experience.

CSC ServiceWorks will be the provider of the laundry amenity for the property. They will be installing technology that will allow machines to accept digital payments and integrate with their laundry app that includes many new features.

The upgrade will occur on or after:

The laundry room will be unavailable during the upgrade. We appreciate your patience and understanding during this transition time. Once the room set-up is complete, you can request to join a free online welcome session to learn about the new laundry features. Sessions are held twice a month.

To register for a session, visit us online at <https://www.cscsw.com/welcome/> and click on the date you would like to attend.

Scan the QR code below to download the app on your smartphone, set up an account, and check out all of the new features to **receive \$5 in free laundry!**
